## Our Semi-Annual Suit Sale Is Now in Progress.

The enthusiastic response to the first notice of this sale strengthens our opinion that there are no inducements like style and quality allied to low prices. The sale is just well under way, so to speak, but long before it is half over people will realize it is one of the most momentous trade movements as far as value-giving and satisfaction are concerned that has occurred for a long time. It will be scarcely necessary to remind you that the reductions are genuine and accurately stated, as inspection will reveal. Money never commanded so much value. Do not wait until the assortment is depleted, come early and get the benefit of the widest possible choice.

An earthquake of unusual violence was reported at Heidelberg, Germany, yesterday.

The United States Supreme Court Monday dismissed for want of jurisdiction the case of the C. and O. Railroad and the Maysville and Big Sandy Railroad vs. J. W. McDonald. Messrs. Worthington, Cochran & Browning were the Attorneys for the Railway Company and Hon. Allan D. Cole represented the plaintiff. The case was originally from Lewis county.

The Commencement exercises of Kentucky Wesleyan College, Winchester, will begin Friday.

The Kentucky Postmasters' Association will hold its annual meeting at Louisville October 7th and 8th.

Colonel Al G. Field, the Minstrel King, who could have had the support of the Republican organization for Mayor of Columbus, Ohio, will not make the race, mainly for business considerations.

**NATURE'S REMEDIES FOR DISEASE.**  
Nature provides more effective remedies in roots and herbs of the field than were ever produced from drugs.  
Thirty years ago Lydia E. Pinkham of Lynn, Mass., discovered and gave to the women of the world a remedy made from roots and herbs which has proved more efficacious in curing women's diseases than any other medicine the world has ever known, and today Lydia E. Pinkham's Vegetable Compound is looked upon everywhere as the standard remedy for woman's ills.

**GREAT TRUNK LINE**  
The Hawley Syndicate Announces Plans For C. and O.  
Members of the Hawley Syndicate who have been spending several days in an inspection tour of the Chesapeake and Ohio following the purchase of the road, returned Monday to New York and the announcement was made that the Syndicate proposed using the line as a nucleus in the formation of a trunk system into the interior.  
What the Western connection of the contemplated new trunk line is to be was not stated. Among Bankers it is the general expectation that an attempt will be made to hitch the road with two more of the Hawley enterprises—the Minneapolis and St. Louis and the Iowa Central—to form a line from the wheat-fields through the coal belt to Norfolk, making that port one of the greatest wheat exporting centers on the coast.  
It has been reported that the Chesapeake and Ohio Syndicate might buy the Chicago, Cincinnati and Louisville to get an entrance into Chicago. Hawley interests refused to express an opinion on this tip.  
"Our plans," said one of them in an interview in New York, "are yet only in the formative stage. The financing of the new project as well as all problems connected with its completion remain to be perfected. We are, however, determined on making a trunk line of the Chesapeake and Ohio, and the execution of our plan is largely in the hands of Mr. Hawley, in whose ability as a railroader his associates have the greatest confidence. The immediate object of our recent trip was an inspection of the physical condition of the road, which we found to be excellent."

Mrs. Huldah Whaley will celebrate her ninety-ninth birthday Friday at her home in Robertson county.

**BY WIRELESS**  
Doctor, in Midocean, Prescribed For Patient in Philadelphia  
When Mrs. P. T. Felman of Chicago became ill at a Philadelphia Hotel she sent the following wireless message to Dr. Otto Marberg, her physician, who is half way across the Atlantic on the steamer America:  
"I am faint. Sinking feeling around heart. Numbness. What shall I do?"  
Soon came the answer: "Follow diet prescribed before sailing. All will be O. K."  
She paid \$10.30 for the message, and said it was worth it.

**Frail Women Aided Free**  
The woman who is by nature not robust cannot be too careful of her health. The foundation of all health is in the stomach. Without good digestion the body is not nourished, and then soon becomes feeble and weak. In order to have good digestion regular bowel movement is absolutely necessary, and it is at this point that so many women neglect themselves. In any of these conditions you cannot do better than to take Dr. Caldwell's Syrup Pepsin, the remedy that thousands of delicate women are using. It is the great family laxative, and in addition to its wonderful power to cure chronic constipation and chronic indigestion, it contains tonic properties that strengthen the stomach muscles so that in time they will work naturally again without the aid of medicine.  
Any druggist will sell you a bottle for the small sum of 50 cents, though persons who have used the remedy before and know what it is buy the \$1 size. Mrs. Amanda Brannan, of Alvarado, Va., who is 68 and feeble, uses it regularly and speaks in the highest praise of it. Her husband, of Marion, Ind., is also an enthusiast of this wonderful remedy and she wished she had the fortune to tell the whole world about it. Both these ladies, as well as hundreds of others we could name, first became acquainted with Dr. Caldwell's Syrup Pepsin through the doctor's offer to send any sufferer a free test bottle direct to the home.  
He will send you or any other sufferer a sample bottle free of charge on receipt of your name and address. It is wonderfully effective in the stomach troubles of children and babies, girls entering the period of menstruation and old folks, all of whom need a gentle laxative.  
If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 307 Caldwell bldg., Monticello, Ill.

Sold By J. J. Wood & Son, Druggists.

AT THIS STORE YOU ARE SUPPOSED TO BE CAPABLE OF SELECTING WHAT YOU WANT. . . . .

The average man of intelligence may be trusted to select a suit of clothes that is suited to his "personality." His personal taste decides, and decides rightly. The rubbish that is being printed to the effect that unless a man is guided and directed and advised and admonished (usually this monitor is to be a green clerk or a somewhat green tailor) he will buy something that will disgrace him and that will not suit his "personality"—it's all rather tiresome, don't you think? This store does not know your "personality" as well as you do. You may buy the suit you want—and it will suit your personality, never fear.

Prices \$7.50 to \$25.

Out of the ground today and on your table tomorrow. That's what makes our green vegetables so popular. The green goods and vegetables you get from us are always crisp and fresh, because we buy from day to day only as much as we can sell. A lot of people didn't know how fine and tasty vegetables could be until they began to buy from us. You'll get the habit, too, when once you start. Begin today. We get them home to you before the dew is off of them.

## COMING ECLIPSES

Four to Take Place This Year—  
First on June 3d

There will be four eclipses this year, two of the sun and two of the moon. A total eclipse of the moon will occur June 3d, visible generally in North America, except the Northwestern portion.

There will be a central eclipse of the sun on Thursday afternoon, June 17th, visible in the United States and Canada. The central eclipse will be annular for a short time, at the beginning and end, and total during the remainder of its course.

The eclipse will begin in this vicinity about 6.30 p. m., lasting but a short time. It will be the first total eclipse seen in Maysville for a great many years.

A total eclipse of the moon will also be seen November 26th and 27th and will be visible in the United States, Canada, Mexico, Central and South America. A partial eclipse of the sun will also occur December 12th, invisible in America.

## JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back. A Lamé, Weak or Aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case: J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant, dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

# Woman's Friend

Nearly all women suffer at times from female ailments. Some women suffer more acutely and more constantly than others. But whether you have little pain or whether you suffer intensely, you should take Wine of Cardui and get relief.

Cardui is a safe, natural medicine, for women, prepared scientifically from harmless vegetable ingredients. It acts easily on the female organs and gives strength and tone to the whole system.

# TAKE CARDUI

## The Woman's Tonic

Mrs. Verna Wallace, of Sanger, Tex., tried Cardui. She writes: "Cardui has done more for me than I can describe. Last spring I was taken with female inflammation and consulted a doctor, but to no avail, so I took Cardui, and inside of three days, I was able to do my housework. Since then my trouble has never returned." Try it.
